Beach Blue Metallic & Lava Gray (GTX 170 only)

FEATURE HIGHLIGHTS

NEW iDF Intelligent Debris Free Pump System (optional: GTX 170 and 230 only)
An innovative, industry-first system that allows you to free your pump of weeds and debris with intuitive handlebar-activated controls.

BRP Audio - premium system (optional)
An industry-first manufacturer-installed truly waterproof Bluetooth® audio system.²

Direct-access front storage
Large front storage area that's easily accessible from a seated position.¹

ROTAX® 1630 ACE™ - 170 /230/300
The Rotax® 1630 ACE engine bloc is now offered in three powerful and efficient options on the GTX. The 170 hp engine is the most powerful naturally aspirated ever on a Sea-Doo. The 230 and 300 hp options benefit from incredible acceleration thanks to a supercharger and will meet anyone's performance needs.

ST3 Hull™
An innovative hull that sets the benchmark for rough water handling, stability, and offshore performance.

Swim platform with integrated LinQ™ system
Exclusive quick-attach system on the largest swim platform in the industry allows for easy installation of storage accessories.

TRAILER (OPTIONAL)

Aluminum MOVE II

- Fully adjustable carpeted bunks (side-to-side/front-to-back) allow you to change bunk angles to fit all watercraft.
- Custom frame design requires less water to load and unload watercraft.
- Sealed maintenance-free wheel bearings for added peace of mind.

Aluminum MOVE I Extended 1250

- All models are available with a galvanized frame for extended life in all weather conditions or in a painted black version, with or without marine jack.
- Move I Extended 1250 and Move II are also available in an aluminum frame that delivers better corrosion resistance to significantly extend life of trailer.
